Thank you for your very interesting letter of 8 February expressing your desire to be of service to your country and this Agency.

Enclosed are forms for application for employment and Personal History Statements which I should like for you to complete, and return two copies of each to me. After receipt of these completed forms my personnel people will make a check of all available vacancies within the organization to see if we have a spot where we might use your varied talents. After this has been done, you will hear further from us regarding the possibilities.

I do appreciate your interest in the Central Intelligence Agency.

Sincerely,

*Signed & dated 2/11*
